Certificate No. 79)

Case No. MP-99-58

On October 6, 1998, respondent's insurance agent informed Commission staff by telephone that respondent's auto insurance policies had been cancelled effective July 1, 1999. Respondent's president confirmed this by telephone on October 7, 1999.

Although Commission Regulation No. 58-07, and the terms of the Commission's Certificate of Insurance and Policy Endorsement, provide that coverage cannot be cancelled except on thirty days' written notice to the Commission, Regulation No. 58-09 provides that the Commission may revoke its approval of any certificate of insurance upon thirty days' notice if, in the judgment of the Commission, such security does not comply with the Commission's regulations or for any reason fails to provide satisfactory or adequate protection for the public.

Accordingly, we will revoke respondent's certificate of insurance, effective thirty days after the date of this order. Respondent shall have until then to file newly executed certificates of insurance.

THEREFORE, IT IS ORDERED:

1. That respondent's certificates of insurance are hereby revoked, effective thirty days after the date of this order.

2. That respondent shall have thirty days from the date this order is issued to file newly executed certificates of insurance.

3. That unless respondent complies with the requirements of this order within the time allowed, Certificate of Authority No. 79 shall be invalid and stand automatically suspended pursuant to Article XI, Section 7(g), of the Compact and Commission Regulation No. 58-02 and shall be subject to immediate revocation without further proceedings.

4. That respondent may file within fifteen days from the date of this order a request for oral hearing, indicating the grounds for the request, describing the evidence to be adduced and explaining why such evidence cannot be adduced without an oral hearing.
